Hi [@Patil, Charulata](#),

Please accept this email as formal notification of my resignation from the position A4 Analyst at Capgemini, effective today 9<sup>th</sup> March 2026.

Due to some urgent personal commitments, I kindly request an early release. As I currently do not have any active project dependencies, I would be highly grateful if my last working day could be approved as Friday, 13<sup>th</sup> March 2026.

I request your support in accommodating this early release.

Best regards,  
Rishika Jain
